

1st WORLD GREXPO

FOUNDATION EXPO & TRADE FAIR
CONFERENCE, BUSINESS EXCELLENCE
AWARDS

Organized by

**Electrical Mobility, Battery, Refurbishing,
Recycling & OEM's**

7th – 10th November 2025

📍 India Expo Centre, Greater Noida

.... Introduction

1st World Grexpo Expo & Trade Fair, Conference & Business Excellence Awards is a prestigious event bringing together industry leaders, innovators, policymakers, and enthusiasts in the field of electrical mobility, battery recycling, and original equipment manufacturers (OEMs).

This conference serves as a platform to explore the latest advancements, discuss emerging trends, and forge collaborations in the rapidly evolving sectors of sustainable transportation and energy storage.

Electrical Mobility, Battery, Refurbishing, Recycling & OEMs

Cutting-Edge Exhibitions:

Experience the latest innovations in electrical mobility, battery recycling technologies, and OEM advancements, showcased by leading companies and startups.

Expert-Led Panels & Discussions:

Engage with industry experts through thought-provoking panels, roundtable discussions, and keynote sessions focused on the challenges and opportunities in electrical mobility and sustainable energy.

Networking Opportunities:

Connect with peers, industry leaders, and potential partners from across the globe, opening doors to new collaborations and business ventures.

Business Excellence Awards:

Celebrate outstanding achievements and innovations within the industry with our prestigious Business Excellence Awards, recognizing companies and individuals driving the future of electrical mobility and battery recycling.

KEY HIGHLIGHTS OF THE **EXHIBITION**

- **Innovative Product Displays**
- **Live Demonstrations & Tech Showcases**
- **Expert-Led Workshops & Seminars**
- **Global Networking Lounge**
- **Sustainability & Innovation Awards**
- **Startup Showcase**

WHO SHOULD

ATTEND

Industry Professionals

Innovators in electrical mobility and battery technologies.

Government & Regulators

Policymakers shaping sustainable energy standards.

Investors & Entrepreneurs

Visionaries seeking opportunities in electric vehicles.

Academia & Researchers

Scholars exploring advancements in sustainable tech.

OEMs & Suppliers

Key players in the electric vehicle supply chain.
