CONFERENCE, BUSINESS EXCELLENCE
AWARDS

Organized by

**Green & Solar Energy | Hydrogen |
Biofuel | Biogas | ESG | CSR & Carbon Neutrality**

7th – 10th November 2025

📍 India Expo Centre, Greater Noida

.... Introduction

1st World Grexpo Expo & Trade Fair, Conference & Business Excellence Awards is set to be a pioneering platform, bringing together industry leaders, innovators, policymakers, and stakeholders to explore the dynamic landscape of green energy and sustainability.

This year's theme focuses on the critical areas of Green Energy, Solar Recycling, Hydrogen, Biofuel, Biogas, Environmental, Social, and Governance (ESG) criteria, Corporate Social Responsibility (CSR), and Carbon Neutrality. These sectors are at the forefront of the global effort to combat climate change and create a sustainable future.

BENEFITS

Networking Opportunities

Engage with top professionals and experts in the field of green energy and sustainability, fostering collaborations and partnerships.

Knowledge Sharing

Gain insights from thought leaders on cutting-edge technologies, industry trends, and best practices in green energy and sustainable development.

Business Growth

Discover new opportunities in emerging green markets and explore potential business ventures in solar recycling, hydrogen energy, and biofuels.

Impactful Learning:

Understand the importance of ESG and CSR in today's business environment and how they contribute to carbon neutrality and long-term sustainability.

Government & Policy Updates

Stay informed on the latest policies and regulatory frameworks that impact the green energy sector.

KEY HIGHLIGHTS OF THE **EXHIBITION**
