# ... Introduction ...

The Start Ups Conclave & Funding at the 1th World GREXPO Exhibition Conference & Business Excellence Awards, happening from 7th to 10th November 2025 at the India Expo Centre, Greater Noida, is a dynamic platform designed to foster innovation and entrepreneurship. This event unites visionary startups with investors and industry experts, providing opportunities to showcase ideas, secure funding, and gain valuable insights.

Startups are the driving force behind industry transformation, introducing disruptive technologies and new business models. However, turning innovative concepts into successful businesses requires more than creativity; it demands access to capital, mentorship, and market opportunities. The Start Ups Conclave & Funding addresses these needs, offering startups the chance to pitch to investors, connect with mentors, and gain exposure.

Whether you're an entrepreneur, investor, or industry expert, this event is your opportunity to be part of the future of business innovation. Join us in a space where innovation meets opportunity.
